

**JESSIE MALAKOUTI**  
 Squelchy, bubblegum pop meets fierce blonde ambition. As terrifying – and brilliant – as it sounds. We like.

**SHERIDAN SMITH**  
 Omigod, we're, like, sooo loving her in *Legally Blonde The Musical*. All together now, bend and snap...

**ACHICA.COM**  
 From the brains behind ASOS, this new interiors site (launching 1 Feb) has weekly flash sales so your home can be as chic as your wardrobe.

**HIGH TEA JEWELLERY**  
 Teeny-tiny teapots strung on antique chains. What better accessory for a nation of char drinkers? From £24, [Theshopfloorproject.com](http://Theshopfloorproject.com)

**THE CLEAVAGE CADDY**  
 Chicken fillets with 'handy' pockets for your mobile, credit cards, etc. Think we'll stick to a clutch bag...

**WEEK NIGHTS**  
 No more *Celebrity Big Brother* (the final is this Friday). Channel 4, bring it back!

**DIVORCE GIFT LISTS**  
 We know he got the toaster, but why should we replace it?
